PROFESSIONAL SUMMARY

[Accomplished and versatile Culinary Professional with approximately 7 years of expertise spanning Head Chef, Italian Sous Chef, and Chef de Partie roles within international hospitality environments.]
[Proven specialist in Japanese and Italian cuisines, pastry, and sushi preparation, with a strong background in menu innovation, kitchen operational leadership, and staff development.]
[Highly certified in food safety and maritime catering, committed to maintaining the highest standards of culinary excellence and efficiency in fast-paced, high-pressure environments.]

WORK EXPERIENCE

Sous Chef / Sushi | Radical / Dar Al Abbar Company

NOV 30, 2024 — AUG 30, 2026

- Led the end-to-end development and execution of specialized sushi bar and restaurant menus, focusing on high-quality sashimi, maki rolls, and traditional Japanese dishes while optimizing ingredient procurement to reduce food costs by **15%**.
- Directed all daily kitchen preparation activities and enforced rigorous international food safety and hygiene standards to ensure a **100% pass rate on health inspections** during the entire tenure.

Italian Sous Chef | United Foods Company

OCT 26, 2022 — NOV 07, 2024

- Managed the daily operations of the kitchen's pastry section including the creation of signature desserts and confections, while training a team of assistant chefs to increase overall production efficiency by **25%**.
- Conducted detailed consultations for high-profile clients to design custom pastry orders for large-scale events, consistently maintaining a **98% customer satisfaction rating** through personalized service and trend-aware menu adjustments.
- Monitored stock levels of essential ingredients and integrated specialized gluten-free and dietary-restricted options into the menu, resulting in a **12% reduction in kitchen waste** through precise inventory management.

Chef de Partie | Business Facilities Company

SEP 19, 2019 — SEP 19, 2022

- Selected premium fresh ingredients to prepare traditional Japanese appetizers and soups, and successfully introduced contemporary recipes like sushi burgers which contributed to a **10% increase in sushi bar revenue**.
- Coordinated seamlessly with wait staff to manage complex customer requests and food allergies, ensuring that every dish adhered to strict dietary safety standards while maintaining high-speed kitchen output during peak hours.
