Subject: Application for Yacht Chef / Cook / Chef de Partie Position

Dear Hiring Manager,

I am writing to express my interest in a yacht culinary position with your team. I am an Italian and Japanese Cuisine Chef with approximately seven years of experience in international hospitality environments, including roles as Sous Chef / Sushi, Italian Sous Chef, and Cook / Chef de Partie.

My experience includes Japanese cuisine, sushi, sashimi, maki, Italian cuisine, pastry, menu development, food-cost control, inventory and supply chain management, special dietary preparation, HACCP, and high-volume kitchen operations. In my previous roles, I led daily kitchen preparation, developed specialized menus, trained assistant chefs, managed pastry production, supported allergy and dietary requests, and maintained strict food safety and hygiene standards.

I also hold maritime-related training and qualifications, including STCW / PNTC College Maritime Training Center, National Certificate I in Ship Catering, Proficiency in Fire Rescue Boats, and Safety Officer Awareness Certification. These qualifications support my readiness to contribute safely and professionally in a maritime hospitality environment while maintaining organized, efficient, and hygienic galley operations.

I would welcome the opportunity to bring my Japanese and Italian culinary skills, pastry experience, HACCP and food-safety discipline, inventory control, galley-readiness, and kitchen teamwork to your yacht or maritime hospitality operation. I am committed to delivering consistent food quality, careful preparation, and reliable service in a demanding professional environment.

Thank you for considering my application. I would be pleased to discuss how my experience and qualifications may support your culinary team. My CV and supporting certificates are available for your review, and I can be contacted at +971 58 873 3969 or carlocorro0620@gmail.com.

Yours sincerely,

CARLO CRISANTO CORRO
Italian/Japanese Cuisine Chef
