Subject: Application for Entry-Level Deckhand Position

Dear Hiring Manager,

I am writing to apply for an Entry-Level Deckhand position on board your yacht. I am a maritime-trained culinary professional seeking the opportunity to begin my deckhand career while contributing dependable galley, crew-service, safety, and hospitality support to a professional yacht team.

I hold STCW / PNTC College Maritime Training Center training, National Certificate I in Ship Catering, Proficiency in Fire Rescue Boats, Safety Officer Awareness Certification, and training from Culinary Arts Professional Trilogix Training Institute. I also hold a Seaman's Book and am prepared to provide my supporting documents for review.

My approximately seven years of experience in international hospitality have developed my discipline, teamwork, organization, hygiene awareness, and ability to work effectively in fast-paced environments. As a Sous Chef / Sushi, Italian Sous Chef, and Cook / Chef de Partie, I managed daily kitchen preparation, supported team operations, handled inventory, maintained food-safety standards, and responded carefully to guest dietary requirements. These skills are directly transferable to galley support, crew service, housekeeping cooperation, provisioning assistance, and the organized daily routines required on board.

Although I am applying at entry level for deckhand work, I am motivated to learn yacht deck operations, follow instructions and safety procedures, support the deck team, and develop professionally in a maritime environment. I understand the importance of reliability, respect for the chain of command, teamwork, cleanliness, and maintaining a safe working environment on board.

I would welcome the opportunity to discuss how my maritime training, culinary background, safety awareness, and willingness to learn can support your yacht crew. Thank you for considering my application. I can be contacted at +966 56 981 9245 or carlocorro0620@gmail.com.

Yours sincerely,

CARLO CRISANTO CORRO
